

5. COMMUNITY SERVICE AWARDS

The Community Advocate submitted a report setting out a proposed change to the timeframe for this year's Community Service Awards as well as a suggested process for considering the nominations received and a function to recognise those who are to receive awards.

The Board **decided**:

1. That the revised timeline for 2003 Community Service Awards be noted.
2. That the nominations received be considered at the 3 June 2003 Board meeting.
3. That the Awards function be held at 4.00 pm on Monday 30 June 2003.
