

4. CITY CARE LIMITED PROPOSAL

The Committee considered a report from Chris Kerr, Business Improvement Manager, outlining a proposal from City Care Limited that would reduce Council costs by a net \$1m and to provide a strategic framework for assessing this proposal. The report also signalled that consideration of the proposal would be carried out by the Sustainable Transport and Utilities Committee on 8 April 2003 and by the Strategy and Finance Committee on 14 April 2003.

The Committee **decided** to recommend to the Strategy and Finance Committee that a Council seminar be held on the City Care proposal.
