

6. **MR AND MRS SCHNELLE, 14 WARNER PLACE, CHRISTCHURCH**

The Committee received a report on the current situation of a property issue recently televised on Fair Go. The matter related to complaints by Mr and Mrs Schnelle and allegations that the former Heathcote County Council had failed in its duty of care in relation to construction of a house that Mr and Mrs Schnell now own and live in.

The Committee **decided** that the Chairperson of the Regulatory and Consents Committee and Deputy Mayor, along with appropriate Council officers, meet with Mr and Mrs Schnelle to discuss their concerns regarding the property at 14 Warner Place, Christchurch.
