

18. HARAKEKE STREET, P10 PARKING RESTRICTION

The City Streets Manager sought Board approval for the installation of a parking restriction of 10 minutes in Harakeke Street outside the Kidsfirst Kindergarten.

Although this is a quiet residential area, there are often vehicles parked all day in this section of Harakeke Street. The Chairman of the Kindergarten has written requesting a P10 parking restriction to improve the safety for parents dropping off and picking up children and for other road users.

The residents in the front units at No 21 and 15a (either side of the kindergarten) are happy for the restriction to be installed. The occupant of 15a has requested that the P10 extend over her frontage as her friends have difficulties finding a park.

The Board **resolved** that the parking of vehicles be restricted to a maximum period of 10 minutes on the west side of Harakeke Street, commencing at a point of 63 metres from its intersection with Kilmarnock Street and extending in a southerly direction for a distance of 28.5 metres.
