

27. YOUTH 4 YOUTH

The Board **received** for discussion a report from the Community Development Adviser seeking funds for a venue for youth activities in Shirley.

The Community Development Adviser informed the Board that the facility for which the funds were being sought was now unavailable.

Consequently, the request for a grant of \$15,000 towards venue costs was being withdrawn. The request for a grant of \$5,000 towards volunteer expenses was discussed.

The Board **resolved** to withdraw the agenda item so that staff could prepare a report detailing the reasons behind the request for a grant of \$5,000 towards volunteer expenses.
