

17. PROPOSED REMIT TO LOCAL GOVERNMENT NEW ZEALAND CONFERENCE 2003

The Director of Policy reported seeking support for the submission of a remit seeking the expedition of a review of the Reserves Act 1977. At its March meeting the Council, in approving two remits for forwarding to the 16 April Zone 5 meeting, delegated authority to the Strategy and Finance Committee to approve any further remits for the 2003 LGNZ Conference.

The Committee **resolved** that the following be submitted to Zone 5 for consideration for inclusion as a remit to the Local Government New Zealand Conference, 2003:

“That the Local Government Association make representation to the Government of New Zealand to have the Reserves Act 1977 reviewed to ensure (a) that duplication between the Resource Management Act 1991, the Local Government Act 2002 and the Reserves Act is minimised (b) that the inconsistencies within the present act are resolved, and (c) that the legislation is appropriate for present day circumstances.”
