

14. ZONE 5 MEETING - KAIKOURA, 16 APRIL 2003

The Director of Policy reported, advising that neither of the Councillor representatives or their alternates were available to attend the Zone 5 meeting in Kaikoura on 16 April 2003. Approval was sought for Councillor Sheriff to represent the Council at that meeting.

Because of the timing of the meeting an immediate decision was required on this matter. As it was important for the Council to be adequately represented at the meeting, the Committee authorised Councillor Sheriff to attend on behalf of the Council.
