#### **13.1 Environment Canterbury - North Christchurch Bus Service Review**

Mr Matthew Noon, Environment Canterbury, attended and briefed the Committee on the review currently being undertaken by Environment Canterbury on bus services for the north Christchurch area between Memorial Avenue west to Cranford Street in the east (including Belfast in the north).

The proposals detailed by Environment Canterbury involve an increase in services, simplification of routes, increase in frequency and greater coverage and the Committee requested that staff prepare a report on the proposals contained within the review for consideration at the next meeting of the Committee.
