

18. SHORT STREET (CHARLESTON): KERB AND CHANNEL RENEWAL

The Board considered a report seeking its approval to consult with the community on a proposal to renew the kerb and channel, footpaths and grass berms in Short Street.

The Board **resolved**:

1. That the proposal be approved for public consultation with the addition of heritage lighting being incorporated in the plan.
2. That the City Streets Unit be requested to work with the Urban Design Team on enhancements to Short Street, for example, enhancements to the fence adjacent to Te Waiponumu College.
