

5. VODAFONE CELL SITES

The Committee considered a report seeking approval:

- (a) To the installation of a Vodafone macro telecommunications facility on a Council street asset at the intersection of Hagley Avenue, Riccarton Avenue and Oxford Terrace.
- (b) For Vodafone to modify their existing macro telecommunications facility at Bottle Lake Forest and QEII.

The Committee **decided**:

- 1. That the Oxford Terrace macro facility be approved.
- 2. That Vodafone be given landowner approval to make variations to the existing cell sites at QEII and Bottle Lake Forest Park in accordance with the requirements of their licence agreements.
