

## 10. PARKS AND WATERWAYS CAPITAL WORKS PROGRAMME

A full schedule of projects, as at 30 June 2003 and those planned for 2003/04 was presented to the Board.

Major projects completed include the Picton Avenue Reserve, Okeover Stream waterway enhancement and the first stage of the Mona Vale car park.

The new sports field development on the Halswell Domain extension and the Templeton stormwater drainage scheme will continue into the 2003/04 year.

New stages of development at Canterbury Park, Halswell Quarry, Westlake Park, Upper Riccarton Domain and Halswell Domain are scheduled to commence in 2003/04.

The Board **received** the information.
