

6. **APPLICATION FOR INSTALLATION OF POSTER BOLLARDS – LINCOLN ROAD**

The Board's recommendation was sought to the Central City Streets Subcommittee for the placement of cylindrical bollards on legal roads.

The Board **decided** to recommend to the Central City Streets Subcommittee that consideration of this application be deferred until:

- (a) The results of consultation with local businesses, neighbourhood and residents associations are known.
- (b) Further discussion has taken place on the process around preliminary consultation, in particular that the first consultation take place with businesses, prior to any resource consent consultation.
