

13. PETITIONS

The Committee considered a petition signed by 492 residents concerning the proposed four laning of Cranford Street.

The petition, the prayer of which read:

"We the undersigned call upon the Christchurch City Council and Transit New Zealand to stop the proposed 4-laning of Cranford Street, and support the Cranford Street Action Group in its request for the equitable sharing of the traffic load across the northern roading network, and for socially and environmentally pro-active, long-term solutions to meet future traffic growth."

had been referred to the Committee from the 26 June 2003 Council meeting.

The Committee **received** the petition.
