

16. 2003/04 PROJECT AND DISCRETIONARY BUDGETS - UPDATE

Further to a report from the Community Advocate, the Board **resolved** on two separate funding matters as follows:

1. That the Board's original Project Funding allocation of \$10,000, for the Christchurch North Branch of the Citizens Advice Bureau, be amended to \$8,000, and the balance of \$2,000 be transferred to the 2003/04 Discretionary Fund for alternative use.
2. That the sum of \$2,000 be allocated from the Board's 2003/04 Discretionary Fund as financial assistance toward the ongoing development of the career of local artist, Ben Morrison.
3. That the Board's present position be reassessed with a view to establishing a funding policy to support the personal development of local youth.
