

1. DEPUTATION BY APPOINTMENT

1.1 ST ANDREW'S COLLEGE – ST ALBANS STREAM/POND ENHANCEMENTS

Students from the College, along with their support teacher, presented details of plans to enhance the existing pond and waterway alongside the church located in the school grounds.

Ideas aimed at improving the existing situation were explained to the Board and any assistance possible from the Council was requested.

The Board indicated its endorsement of the College's enhancement initiatives and asked that staff further assess the proposals with the school and keep the Board informed, as required.

The Chairman thanked the school representatives for their presentation.
