

7. REPORT OF THE ENVIRONMENT AND TRAFFIC COMMITTEE: 4 NOVEMBER 2003

The Board **received** the information contained in subclauses 16.3, 16.4, 16.6 and 16.7 of the report.

Proposed Changes to Speed Limits

It was moved that the Board advise the Sustainable Transport and Utilities Committee that it does not support any increase in vehicle speed limits on Aldwins Road. The motion was declared **carried** on a division by four votes to two, the voting being as follows:

For (4): Bob Todd, Linda Rutland, Yani Johanson and John Freeman.

Against (2): Rod Cameron, David Cox

The Board also **decided** to advise the Sustainable Transport and Utilities Committee that it supported the lowering of vehicle speeds from 50 km/h to 40 km/h on the Esplanade in Sumner.

Parking Strategy

The Board **decided** to recommend that in implementing actions 2 and 7 identified under New Management on page 32 of the Parking Strategy, that appropriate staff undertake those actions in relation to parking issues in the area around Jade Stadium and that a review of the Hagley Park Management Plan be undertaken as a priority.

Leopard Coachlines Bus Depot: Compliance with City Plan

The Board **received** the information and **decided** that Council staff be requested to hold a meeting to brief Charleston residents on this issue.
