

## 8. SUPPLEMENTARY REPORT

A late report was tabled relating to an application from Woosh Wireless to locate three cell sites on the roof of the Civic Offices in Tuam Street. The reporting officer advised that it had not been possible to circulate the report with the agenda, but that there was a need for the report to be considered at the present meeting, rather than being deferred to a subsequent meeting.

It was **resolved** that the report be received and considered at the present meeting.
