

**4. SURFACE WATER LAND DRAINAGE RESOURCES NEEDED TO ADDRESS EXPANDING URBANISATION OF CHRISTCHURCH CITY**

The Committee considered a report from the Planning and Investigations Team Manager regarding surface water drainage issues outlined at the Council seminars on 20 October and 4 November 2003. This item is reported in full in the Parks, Gardens and Waterways Committee report to the Council.

The Committee **decided** that Councillors Sue Wells and Lesley Keast (or alternate) be nominated as the Regulatory and Consents Committee representatives on the joint working party.
