

**11. PARCELS OF SURPLUS ROAD LAND FOR DISPOSAL  
ROAD STOPPING TO PART OF ATHOL TERRACE**

The City Streets Manager sought the Board's approval to commence road stopping procedures to stop parcels of road land outside No. 19 to No. 23 Athol Terrace.

The Board **resolved** to approve the commencement of the requisite road stopping procedure, and to approve in principle the declaration of the affected parcels of land as being surplus to roading requirements.
