

9. TREE REMOVAL HEATHCOTE RIVER BANK

The Board considered a report by the Parks and Waterways Manager regarding the proposed removal of willow trees on the riverbank opposite Princess Margaret Hospital in Cashmere Road. It was proposed to remove two trees for health and safety reasons, and the Board's approval was sought for the removal of the two remaining willows at the same time.

The Board **resolved**:

1. To receive the information regarding the removal of tree numbers 2 and 4 owing to health and safety risks.
2. To approve the removal of tree numbers 1 and 3 for the reasons outlined in the report.
