

21. CATHEDRAL SQUARE

The Committee considered a report from Barry Cook, Traffic Engineer - Community, City Streets Unit seeking approval to change the time limit on the 'Tour Coaches Only' parking area in the northwest quadrant of Cathedral Square. (Please refer to attached letter from Mr Robin McCarthy).

The report advised that the existing space was well utilised especially around peak times such as 9am, although the 30 minute time limit allowed some operators to remain in the area seeking business or to take tourists for a walking tour of the central city. It was considered these activities should not be carried out from this location and that it was appropriate to change the time limit to 10 minutes.

The Committee **resolved**:

1. That the 'Tour Coaches Only Time Limited 30 Minutes At Any Time' on the south side of the larger traffic island in the northwest quadrant of Cathedral Square be revoked.
2. That a 'Tour Coaches Only Time Limit 10 minutes At Any Time' be installed on the south side of the larger traffic island in the northwest quadrant of Cathedral Square.
