

16. **SUBMISSION ON MOT: 'GETTING THERE - ON FOOT, BY CYCLE' A DRAFT STRATEGY TO INCREASE WALKING AND CYCLING IN NEW ZEALAND TRANSPORT**

The Committee considered a report from the Jo Spencer, Senior Policy Planner - Transport, providing information on the document released by the Ministry of Transport in October 2003 on a draft national strategy developed to increase the use of walking and cycling in day-to-day travel in New Zealand.

The report provided background to the draft strategy and noted that it was important that the Council provided comments and feedback to the MOT and that the closing date for submissions was 19 December 2003.

The Committee **decided**:

1. That the Land Transport Subcommittee be convened to consider a presentation on the structure and content of the draft strategy and to finalise a submission to the MOT at the earliest opportunity.
2. That Councillor Chrissie Williams be invited to attend this meeting, as Chair of the Cycle Steering Group.
