

3. DEPUTATIONS BY APPOINTMENT

2. **Plaque For Citizens' War Memorial**

Mr Earle Crutchley a veteran of the World War II military services and other retired servicemen were in attendance to speak on the exploits of the Merchant Navy and how this should be recognised through having a plaque erected on the Citizens War Memorial in Cathedral Square.

The plaque would also contain emblems of the other three military forces and in this regard letters of support had been received from the Chiefs of Staff of the Navy, Army and Air Force.

A report on this matter is contained in clause 4 of the report.
