

3. CHILDREN AND YOUTH SUBCOMMITTEE

The Committee considered a report that gave an overview of the work that the Children and Youth Subcommittee carried out in 2002 and placed before the Community and Leisure Committee the terms of reference that the subcommittee developed.

The Committee **decided**:

1. That the subcommittee be thanked for its work throughout 2002.
2. That the target group advocacy staff ensure that the Community and Leisure Committee is briefed on relevant children and youth issues.
