

14. STRUCTURE ON STREET APPLICATION – 276 MAIN ROAD

A report sought the approval of the Board for the construction of a cable car parking space and its associated monorail on legal road to serve 276 Main Road.

The Board **resolved** that the construction of a cable car parking space and its associated monorail on legal road be approved subject to the conditions 1 to 6 set out below.

1. A deed of licence being entered into with the Council.
2. The owner being responsible for compliance with Health and Safety regulations for the cable car operation.
3. The proposal complying with the rules of the City Plan.
4. The owner being responsible for the maintenance of the parking space and the monorail on legal road.
5. The owner being required to maintain the site in a safe and tidy manner at the time of construction.
6. The structure to be of a suitable colour, as approved by the Parks and Waterways Unit.
