

1. LAND TRANSPORT MANAGEMENT BILL - DRAFT CITY COUNCIL SUBMISSIONS

At its meeting of 11 February 2003, the Sustainable Transport and Utilities Committee considered a report (copy attached as Appendix 1) providing an overview of the content of the Land Transport Management Bill together with a suggested draft submission on this new legislation. Submissions on the bill close with the Transport and Industrial Relations Select Committee on 28 February 2003.

The Committee **decided** that preparation of a submission be delegated to the Land Transport Subcommittee with the draft submission to be considered at the Council meeting on 27 February 2003.

A meeting of the Subcommittee was held on 20 February 2003 and it considered both the draft submission presented to the Sustainable Transport and Utilities Committee and also the submission prepared by Local Government New Zealand.

Comments made by the Subcommittee have been incorporated into the draft submission attached which is presented to the Council for formal adoption and submission to the Select Committee.

Subcommittee

- Recommendation:**
1. That the attached submission on the Land Transport Management Bill be adopted.
 2. That two elected representatives together with appropriate staff be authorised to present this to the Select Committee.
