

7. RICCARTON/WIGRAM ENVIRONMENT COMMITTEE REPORT OF 10 DECEMBER 2002 MEETING

The Board was in receipt of the report of the Environment Committee meeting, held on Tuesday 10 December 2002, covering the following issues:

- Youth Environment Award Scheme/Environment Education Programmes
- Major Pool Facility Programme Discussion
- Mona Vale Car Park, redesign concept, to progress to full design and community consultation.

A deputation to the Committee sought the removal of a pine tree on Brigadoon Reserve; the request was supported by the Parks and Waterways staff on the grounds of health and safety. Associated tree remedial/maintenance work would also be undertaken.

The Committee **agreed** to this work proceeding.

The Board's decision on a recommendation (made by the Committee) in respect of funding a capital works project on Frances Reserve is separately recorded in clause 15 of this report.

The Board **received** the information.
