

12. LANDSDOWNE TERRACE STREET TREES

The Board considered a report detailing results of the consultation carried out in November 2002 concerning the future of the street trees in Landsdowne Terrace.

It was **resolved** that Option C be implemented – Option C being removal of all the existing street trees (salvaging the young Liquidambers), and replacing them with Magnolia kobus (grows 6-7m).

| | |
|------------------------|-----------------|
| Estimated felling cost | \$6,600 |
| Replanting cost | \$6,240 |
| Total | \$12,840 |
