

11. RIVERLAW TERRACE – NEIGHBOURHOOD IMPROVEMENT WORKS

The Board considered a report seeking its support of the Riverlaw Terrace project, and approval for consultation to commence.

The Board **resolved**:

1. Not to support the proposed work being undertaken at this time.
2. That a scenic route of the Heathcote River in the Spreydon/Heathcote wards be investigated by the City Streets Unit and Parks and Waterways Unit.
3. That the City Streets Unit be requested to locate the speed check trailer in Riverlaw Terrace or thereabouts.
