

16. INTER CITY BUS STOP

The Committee received a report seeking support for the installation of an additional bus stop on the north side of Worcester Street, just west of Manchester Street.

It noted that the proposal had arisen following a request from the Manager of Ritchies Bus Service to allow for two additional bus stop spaces for coaches servicing the Inter City Depot in Worcester Street, but that it was considered practical to provide only one additional bus stop.

The Committee **resolved**:

1. That the stopping of vehicles on the north side of Worcester Street commencing at a point 17 metres from its intersection of Manchester Street and extending in a westerly direction for a distance of 12 metres be removed.
2. That a 'bus stop' be created on the north side of Worcester Street commencing at a point 17 metres from its intersection with Manchester Street and extending in a westerly direction for a distance of 12 metres.
