

17. TENDER ACCEPTANCE FOR ISLINGTON SEWER SCHEME STAGE 1: CONTRACT 2002/03-142

The Committee considered a report seeking approval to accept a tender for contract 2002/03-142 'Islington Sewer Scheme Stage 1'.

This would provide for extension of the wastewater reticulation to include properties in Islington not currently connected.

The Committee **resolved** that the tender from Dave Gutry Construction Ltd for \$597,565 for contract 2002/03-142 'Islington Sewer Scheme Stage 1' be accepted.
