

4. AVON RIVER/OTAKARO BRIDGE LIGHTING

A report from the Urban Designer - Architecture, sought approval for work to proceed on a resource consent application for the illumination of the Edmonds Band Rotunda and its associated riverside wall.

The Committee **decided** that subject to confirmation of sponsorship for the project, consent be granted for work to proceed on designs for the illumination of the Edmonds Band Rotunda and riverside wall, with the aim of making an application for a resource consent for alterations to the appearance of a listed heritage building.
