

## 5. SPORTS, LEISURE AND EVENTS SIGNIFICANT ACTIVITY REVIEW - FINAL REPORT

A report from the Business Process Manager sought the Committee's approval of the Sports, Leisure and Events significant activity review.

The Committee **decided**:

1. That the Festivals and Events Subcommittee consider adding a 'subsidy per attendee' or other appropriate indicator and a percentage of total cost cap to the criteria for evaluating current and proposed festivals and events.
2. That the Leisure Unit forward budget for events reflect the anticipated sponsorship funding and the associated expenditure.
