

17. BRENTWOOD STREET - STOP CONTROL

The Traffic Engineer sought the Board's approval to change an existing "Give Way" control to a "Stop" control on Brentwood Street at its intersection with Royal Park Drive in Parklands. The Board **resolved:**

1. That the existing "Give Way" control against Brentwood Street at its intersection with Royal Park Drive be revoked.
2. That a "Stop" control be placed against Brentwood Street at its intersection with Royal Park Drive.
