## 7. HORSESHOE LAKE ROAD TRAFFIC MANAGEMENT (BROOMFIELD TERRACE TO LAKE TERRACE ROAD)

The Transport Planner - Cycling and Pedestrians informed the Board of the progress made in response to the Board's request for an investigation into Horseshoe Lake Road traffic management. The Board **decided:** 

- 1. That the priorities for road shoulder and lighting improvements for Horseshoe Lake Road, from Lake Terrace Road to Broomfield Terrace, be supported for the purpose of identifying a financial estimate.
- 2. That the City Streets Unit report to the Board by October 2003 on the progress of prioritising the project within the Unit's capital works programme.
- 3. That Horseshoe Lake Road traffic management be reviewed after the Broomfield Terrace subdivision is completed.
