

4. COMMUNITY FUNDING 2002/03

The Board **received** information detailing the funding allocations made by the Fendalton/Waimairi Community Funding Committee as part of the 2002/03 funding round.

In addition, the Board also **decided** that the Community Relations Manager be requested to initiate a review of current organisations providing ESOL programmes and that the requested review also include a response on the factors mentioned in the report postscript.
