

19. MANAGEMENT GUIDELINES FOR COMMUNITY FACILITIES

The Board considered a report providing a draft of the reviewed Management Guidelines for Community Facilities and a background report on the project.

The Board **resolved**:

1. That the draft Management Guidelines for Community Facilities and the background report be referred to the Community, Policy and Finance Committee with power to act to submit comments on the documents.
2. That the membership of the Community, Policy and Finance Committee be extended to include all Hagley/Ferrymead Community Board members for the purpose of submitting comments on the draft Management Guidelines for Community Facilities and the background report.
3. That the Board support the implementation of property asset management plans for all community facilities.
