

2. UPPER RICCARTON COMMUNITY/SCHOOL LIBRARY

On behalf of the Libraries Unit, Ms Nicki Moen, together with the Principal of the Riccarton High School, Gary Coburn were in attendance to provide the Board with an update on this project.

The opening of the school/community library is scheduled for December 2005 and it is anticipated that some concept plans may be available to the Community Board later this year.

Nicki and Gary advised that this concept was unique in New Zealand in that it combined a large school and a wide community catchment for this major facility within the urban area.

The Board **received** the information.
