

16. OWEN MITCHELL PARK – PROPOSED PLAYGROUND

The Board considered a report from the Parks and Waterways Manager providing an update on the proposed play equipment for Owen Mitchell Park, following consultation with local residents.

The Board **resolved** to approve:

1. The thinning and lifting of the shrubbery surrounding the site of the play area in accordance with the results of the public consultation and safety audit.
2. The proposed amendments to the playground redevelopment plan for Owen Mitchell Park with the inclusion of an additional swing.
3. The tree management plan proposed for Owen Mitchell Park.
