

26. PROPOSED NEW ROAD NAME

The Board considered a report from the Environmental Services Manager requesting approval for names for several new roads. Name approvals are delegated to Community Boards. It is important that approved names will not duplicate or be similar to existing names. All names submitted have been checked by the Council and NZ Post for duplication.

The Board **resolved** to approve the names Brookwater, Millstream, Brookfield, Riverbank, Watermill, Millpark, Applefield and Royal for use in the current and future stages of the new subdivision being undertaken between the Northwood Subdivision and Johns Road.
