

## 17. MANAGEMENT GUIDELINES FOR COMMUNITY FACILITIES

The Board's feedback was sought regarding a draft of the reviewed Management Guidelines for Community Facilities.

The Board **resolved**:

1. To support the draft Management Guidelines for Community Facilities and the recommendations contained in page 5 of the background report.
2. That Advocacy Team staff assist management committees of community centres to be more proactive in the development of their facility as a community centre, and this be included in the recommendations contained on page 5 of the background report.
