

**16. DRINKING FOUNTAIN – SOUTH CHRISTCHURCH LIBRARY/SERVICE/LEARNING CENTRE GROUNDS**

The Board's guidance was sought regarding a proposed competition with local high schools for the design of a drinking fountain to be located in the grounds of the new South Christchurch Library/Service/Learning Centre.

The Board **resolved** that the Community Advocate be requested to further discuss with the Project Control Group issues and options regarding the proposed drinking fountain, and report back to the next Board meeting.
