

13. PROPOSED ARTWORK FOR LINCOLN ROAD/LYTTTELTON STREET RESERVE

The Board considered a report advising that Art & Industry had accepted the offer to project manage the proposed artwork project to be located on the corner of Lyttelton Street and Lincoln Road. The report outlined the cost submitted for managing the project. It was noted that the Board's previous resolution had been subject to costs.

It was **resolved** that:

1. Owing to the management costs, the project be deferred until such time as the Council's Arts Advisory staff could undertake the work, and Art & Industry's proposal be declined.
2. Urban Renewal staff be requested to carry forward funding for the project to the 2003/04 financial year and that the Parks & Waterways Unit also be asked to provide their contribution from the 2003/04 financial year.
