

8. CREATIVE INDUSTRIES UPDATE

The Committee received a report from the Projects Co-ordinator, Canterbury Development Corporation providing a brief overview of recent developments in the Creative Industries sector in Canterbury.

The Committee **decided** to support an application by ClothesLink Canterbury for event seed funding of \$15,000 for the proposed fashion show at the 11th Asian Retailers Convention and Exhibition (ARCE) to be held in Christchurch on 22 September 2003 as a means of assisting the raising of the profile of not only Christchurch's fashion industry, but also Christchurch as a preferred cultural tourism destination.
