

2. CORRESPONDENCE

2.1 NEIGHBOURHOOD SUPPORT CO-ORDINATORS' FUNCTION

A letter was received from Canterbury Neighbourhood Support Incorporated thanking the Board for hosting a function for Neighbourhood Support Co-ordinators in the area. The Board **received** the letter.

2.2 PROMOTION OF SUSTAINABILITY IN THE COMMUNITY

An e-mail was received from Tony Mander of the Golf Links Residents' Group concerning a reported discussion at the Sustainable Transport and Utilities Committee about neighbourhood groups being asked to promote sustainability. Mr Mander suggested that residents' associations be encouraged to adopt this role. The Board **decided:**

1. That the e-mail be forwarded to the Sustainable Christchurch Leader.
2. That a response be sent to the residents' group indicating that the existing neighbourhood group network had been suggested because a small group focus was considered appropriate, while residents' associations could play a wider role in promoting sustainability.
