

## **15. REPORT OF THE ENVIRONMENT AND TRAFFIC WORKING PARTY – 13 MAY 2003**

The Board **resolved**:

### **15.1 Proposed Road Stopping – Moncks Spur Road between No 178 and Mt Pleasant Road**

1. That the Board declined to approve the commencement of the road stopping procedures for the portion of Moncks Spur Road shown on the plan attached to clause 12.1 of the agenda and outlined in subclauses a and c of that clause.
2. That a further report be brought back to the Board on the portion of Moncks Spur Road shown on the plan attached to clause 12.1 of the agenda and outlined in subclause b of that clause, so that that portion of road could be considered in detail for safety reasons.

### **15.2 Structure on Street Applications**

That the structure on street applications be approved, subject to an appropriate landscaping condition to be fulfilled by the applicant being included in each approval.

### **15.3 Victoria Street/Peterborough Street (West) Improvements**

1. That the information be received.
2. That before concept plans are commenced for the park area at the junction of Victoria and Peterborough Streets, that the Board and the local residents' association be consulted for their input.
