

7. CITY PLAN VARIATION - CREATION OF THE CENTRAL CITY EDGE ZONE

The Committee considered a report from Andrew Willis (Planner) seeking the adoption of a section 32 Analysis on the Proposed Variation to the Christchurch Proposed City Plan and the provisional approval and public notification of the proposed variation.

The Committee **resolved** to defer this report for further consideration at a reconvened meeting of the Committee to be held on Monday 16 June 2003 at 11.30am.
