

### 13. SUPPLEMENTARY REPORTS

The Chairman sought the approval of the Committee to introduce supplementary oral reports on the following topics:

- Update on Prostitution Reform Bill
- High Court Decision - Use of S293
- Controlled Purchase Operation Suspension of Off-Licences

The Chairman explained that reference to these topics had not been included in the agenda because the required information was not available at that time, but that it was necessary for the information to be considered by the Committee at its present meeting, rather than being deferred to a subsequent meeting.

The Committee **resolved** that the supplementary reports be received and considered at the present meeting of the Committee.
