

## 6. HILLS ROAD/INNES ROAD INTERSECTION

The Board **received** and considered a report from the City Streets Manager providing the Board with background information regarding the Hills Road/Innes Road intersection.

The Board **decided**:

1. To support Mairehau High School's submission to the Sustainable Transport and Utilities Committee.
2. To request that, subject to clarification from the Legal Services Manager and the construction of a signalised pedestrian facility/traffic lights for the partially sighted on the Springfield Road/Edgeware Road/Abberley Crescent intersection not proceeding, the funding allocation for the Springfield Road/Edgeware Road/Abberley Crescent intersection lights be used by way of substitution to fund the signalisation of the Hills Road/Innes Road intersection outside Mairehau High School.
3. To request that the Sustainable Transport and Utilities Committee ensures that safety issues at this intersection are addressed as soon as possible.
