

10. NORTHFIELD ROAD TRAFFIC

The Board considered a report from the City Streets Manager in response to a petition received from residents of Northfield Road advising the Board of their concerns over the increasing volume and speed of traffic using Northfield Road.

The Board **decided**:

1. That the petition submitters be thanked for their presentation and be informed of the report's findings.
2. That no further action be taken.
3. That this matter be reviewed when NROSS planning is completed.
